To Reflect His Character Clearly

“Jonathan, by birth heir to the throne, yet knowing himself set aside by the divine decree; to his rival the most tender and faithful of friends, shielding David's life at the peril of his own; steadfast at his father's side through the dark days of his declining power, and at his side falling at the last--the name of Jonathan is treasured in heaven, and it stands on earth a witness to the existence and the power of unselfish love.” Education, p. 157

“BEYOND THE GATES OF SPLENDOR” is a documentary of five missionaries who dared to make contact with the most savage tribe in history, the Waodani, who live deep in the Amazon basin of Ecuador. After an initial friendly contact their excitement quickly turned to fear, and all five men were killed. Soon after, a wife of one of the slain men went to live with the Woadani. Many have heard this story, but few have heard the rest of it. The St. Helena Church will be showing this documentary on **February 18**. This is a true life story of love of the most amazing kind.
