To Reflect His Character Clearly

"The idea that the Old Testament no longer possesses vital interest because the New Testament has been written, is an idea fatal to the soul of him who believes it. Both the Old Testament and the New are necessary. The New Testament does not contain another Gospel, a new religion. It is but the unfolding of the Old. The past ages are of peculiar value to us; and those who are ignorant of the Scriptures, and of the power of God as manifest in the history of His people, understand but dimly the manner of His working." *The Signs of the Times, 1-13-1898*

“BEYOND THE GATES OF SPLENDOR” is an award-winning documentary. It chronicles how a violent and isolated South American tribe was changed by five North American families who dared to contact them. It’s a story of how faith can transform tragedy into triumph, how courage can overcome insurmountable obstacles, and how death can teach a family to live. Many have heard this story, but few have heard the rest of it. The St. Helena Church will be showing this documentary on **Sabbath, February 18** at **4:00 p.m.** This is a true life story of love of the most amazing kind.

OUR NEXT FELLOWSHIP DINNER will be on **Sabbath, February 25**. Put this on your calendars so you don’t miss it.

“Dear Friends ~ I am overwhelmed with thankfulness and praise to God for your wonderful gift to me. You, the Mission Trip group and friends, came to my home that Sunday and worked so hard in my yard and were so cheerful and kind! I really don't know how to express my joy and to thank you all for the work you did. When I prayed for an answer to my problem, Philippians 4:19 came to mind ~ ‘But my God shall supply all your need according to his riches in glory by Christ Jesus.’ Just to say thank you seems so inadequate, but please know that I do thank you and that God will surely bless you abundantly.”

~ With love and gratitude ~ Marilee Unruh
